LEO User Application**

WARNING

LEO is an official U.S. Government system for authorized use only by authorized members of the law enforcement, criminal justice and public safety community. Information presented in this system is considered sensitive but not classified and is for official law enforcement/criminal justice/public safety use only. The use of this system will be monitored for security and administration purposes and accessing this system constitutes consent to such monitoring. Any unauthorized access of this system or unauthorized use of the information provided on the LEO network is prohibited and may be subject to criminal and civil penalties under federal law.

This FBI system is for the sole use of authorized users for official business only. You have no expectation of privacy in its use. To protect the system from unauthorized use and to insure that the system is functioning properly, individuals using this computer are subject to having all their activities on this system monitored and recorded by system personnel. Anyone using this system expressly consents to such monitoring and is advised that if such monitoring reveals evidence of possible abuse or criminal activity, system personnel may provide the results of such monitoring to appropriate officials.

LEO will collect and store system and network related information in a persistent cookie. The purpose of collecting and storing this information is so that LEO can enhance its security by employing advanced authentication reliant on this information. The information is encrypted and LEO will not share this with any unauthorized parties.

Warning! The use of publicly accessible computers (e.g. libraries, airports, cafes, hotels, etc.) to access LEO is unauthorized. This type of usage may result in the involuntary dissemination of information to unauthorized entities. Data may be left on this computer resulting in the next person using this machine the ability to view your data.

PRIVACY ACT STATEMENT

General - This information is provided pursuant to Public Law 93-579 (Privacy Act of 1974) for individuals completing LEO user application forms. Authority - LEO is a federally funded national communications system established by the FBI. Application information is solicited under the authority of the Federal Records Act (Title 44, United States Code) and implementing regulations (Title 36, Code of Federal Regulations, chapter XII). Purpose and Use - The principal purposes of LEO user application forms are to collect information needed to determine qualifying factors for authorized use, and verification of identity. This completed application will be used to register this account as a qualified LEO account. All or part of the submitted information may be disclosed outside the FBI to federal, state, local, or tribal law enforcement agencies charged with the responsibility of investigating a violation or potential violation of the law and to applicant agency or organization to periodically verify continued access to LEO. Disclosure may otherwise be made pursuant to the routine uses most recently published in the Federal Register for the FBI's Central Records System (Justice/FBI 002). Failure to provide the requested information shall result in the denial of this application.

Instructions: Type or write the information requested. **ALL FIELDS ARE MANDATORY.** When completed, fax or mail to the information provided in the upper right hand portion of page one of this form. **Send all pages, including a signed FD-889 Rules of Behavior form.** **IMPORTANT:** Non-legible applications will not be processed

FBI Information Technology and Information Systems Rules of Behavior for General Users Agreement Form

Purpose: This agreement outlines the acceptable and unacceptable uses of FBI Information Technology (IT) and Information Systems (IS). It also outlines the signer's responsibilities regarding stewardship and use of FBI IT/IS and Public Key Infrastructure (PKI) assets and capabilities if a PKI token is issued.

Scope: This agreement applies to anyone granted access to any FBI IT/IS, including but not limited to: FBI employees, contractors, interns, detailees, and personnel from Other Government Agencies (e.g., Federal, state, municipal, or tribal). All references to IT/IS monitoring herein pertain to data communications only (emails, facsimile, computer database use and data storage, digital transmission of data...etc.) and does not apply to voice communications. This agreement form must be signed before access to any FBI IT/IS is granted.

Statement of Responsibility: I understand that I am to use FBI systems for lawful, official use and authorized purposes in accordance with current FBI guidelines. I am responsible for all IT that I introduce into FBI space including devices that are privately owned, or those owned by another government agency.

I am responsible for all activity on FBI IS's, as well as any other IT/IS's that are authorized to operate in FBI space, that occurs on my individual account(s) once my logon credential or password has been used to logon. If I am a member of a "group account," I am responsible for all activity when I am logged on an IS associated with that account.

I acknowledge that the ultimate responsibility for ensuring the protection of FBI non-public information lies with me, the user of FBI IS's and non-FBI IT/IS's authorized to operate in FBI spaces.

I understand that I must obtain written permission to introduce any non-FBI hardware, software, or media into FBI controlled space, and that I may not use non-FBI hardware, software, or

media to connect to or communicate with any FBI system without authorization from the Head of my Division and the Assistant Director for Security, or designee.

I acknowledge that I am prohibited from accessing or using information about individuals except on a need-to-know basis in furtherance of authorized tasks or mission related-functions. I am obligated to maintain, process, and protect information about individuals with sufficient care in order to ensure the security and confidentiality of the information and protect it from inadvertent or unauthorized disclosure. Even within the FBI and the Department of Justice, I am only permitted to disclose information about individuals on a need-to-know basis for performance of authorized tasks or mission related-functions. I am not permitted to disclose information about individuals outside the Department of Justice except when authorized under the Privacy Act (5 USC 552a(b)).

Access: Access to FBI IT, IS, networks, and other agency systems operating in FBI spaces is for official and authorized purposes as set forth in Title 5 CFR Parts 2635 and 3801 (Federal Ethics Regulations) (noted above) and as further outlined in this document.

Even where granted access, I must only access the system files and information on a need-to-know basis in furtherance of authorized tasks or mission related-functions.

Revocability: The ability to use IT in FBI space and access to FBI IS's is a revocable privilege. IT used in FBI space is subject to vulnerability assessment, content monitoring, activity monitoring, and security testing.

Rules of Behavior: I will adhere to the following Rules of Behavior (ROB):

1. I consent to monitoring or search of any IT/IS equipment or media I bring into, or remove from, FBI owned, controlled or leased facilities. When asked by authorized personnel I will provide unfettered access to all equipment or media brought into or removed from such FBI facilities. I also understand that FBI or FBI leased IS's may be monitored or otherwise accessed for law enforcement or other compliance purposes and my agreement to this FBI ROB constitutes my consent to be monitored and to allow access to FBI IS's accessed by me.
2. The following (2.a.) applies **only** to personnel from Other Government Agencies whose duties require them to bring IT/IS assets (e.g., laptop or desktop computers) owned or leased by their parent agency into FBI facilities:
 - a. I understand that the aforementioned IT/IS assets are also subject to FBI search and/or monitoring; however, prior to any search or monitoring the FBI will coordinate with the appropriate Security Personnel or other responsible representatives of my parent agency to afford my agency an opportunity to provide warnings to the FBI about the types of information that may exist within my IT/IS devices and to ensure that my agency is afforded the opportunity to have appropriate representation during any and all searches.
3. I will read, understand, and adhere to all FBI information assurance policy directives.
4. I will comply with the FBI SPM, Policy Directives of the FBI, MAOP, MIOG and local Standard Operating Procedures and I will address any questions regarding policy, responsibilities, and duties to my Information System Security Officer (ISSO), Information System Security Manager (ISSM), or Chief Security Officer (CSO).
5. I will read and understand the FBI standard information system (IS) and network warning banner prior to logging onto the IS or network.

6. I will use FBI IT equipment, including but not limited to portable electronic devices (PED) and keyboard, video, monitor (KVM) switch devices according to and in compliance with FBI policy directives.
7. I will use FBI computer and network applications and systems, including but not limited to, e-mail, databases, and web services according to and in compliance with FBI policy directives.
8. I will ensure that I understand and respect the accredited security level of FBI facilities and of FBI IT systems that I work with or access.
9. I will protect my password(s) in accordance with the classification level of the system or at the highest classification of the data being secured.
10. I will only use strong passwords as defined in the FBI SPM and Policy Directives of the FBI, and agree to change my password with a frequency as specified by policy or as requested for security reasons.
11. I will use screen locks or logoff my workstation upon departing the immediate area.
12. I will use all required virus-checking procedures before accessing information from all removable media or before accessing email attachments from unknown sources.
13. I will use only authorized media (thumb drives, diskettes, etc) and procedures to download FBI information.
14. I will properly mark and label classified and sensitive information and media (removable and fixed) according to FBI policy, the Department of Justice Program Operating Manual, DOJ Order 2620.7, and the Director of National Intelligence (DNI) Controlled Access Coordination Office (CAPCO) guidelines, as appropriate.
15. I will encrypt, using FBI approved solutions, all sensitive and classified data that is stored on portable electronic or optical media, and data stored on computers that are transported outside of FBI controlled spaces.
16. When not in use, I will store classified computers in an approved security container, or in a facility approved for open storage of the information contained on that classified computer.
17. I will destroy copies and extracts of sensitive data that are no longer needed.
18. I will not disseminate any FBI non-public information to anyone who does not have a verified authorization to access the information and appropriate security clearance.
19. I will complete the FBI's Annual INFOSEC Awareness Training or provide my ISSO, ISSM or CSO with adequate documentation of my completion of my employing agency's annual information security training.
20. If designated as a "*Privileged User*" I will complete the required Privileged User Security training and sign the *Privileged User* Rules of Behavior form.
21. I will immediately report known or suspected security incidents or improper use to my ISSO, ISSM, or CSO according to SPM guidelines and FBI Policy Directives upon discovery regardless of whether such action results in loss of control or unauthorized disclosure of sensitive information to the CSO according to the appropriate FBI incident response plan.
22. **If** issued digital certificates by the FBI PKI Certification Authority (CA), in addition to the above I will:
 - a. Use the certificate and corresponding keys exclusively for authorized and legal purposes for which they are issued and only use key pairs bound to valid certificates. Note: Explanation of what certificates, keys, and key pairs are and how to use them is explained on the PKI Registration Form when the token is issued.
 - b. Re-authenticate my identity to the FBI CA in-person and register for certificate re-key at least once every three years, or as instructed by designated authorities.
 - c. Protect my token and private keys from unauthorized access and be aware of the location of my token and ensure its security at all times, whether in my immediate possession, in FBI space, or in my home.
 - d. Use the "strong password" guidance mentioned in 4 and 5 above.

Privacy Act Statement:

The information solicited on this form is collected pursuant to the Federal Information Security Management Act (FISMA) of 2002, the Computer Security Act of 1987, the general recordkeeping provision of the Administrative Procedures Act (5 U.S.C. § 301) and Exec. Order 9397, which permits the collection of social security numbers. The Public Key Infrastructure (PKI) portion of this agreement is collected pursuant to 5 U.S.C. §§ 3301, 9101, Exec. Order No. 12,968, Exec. Order No. 10,450, and 28 C.F.R. § 0.138. Pursuant to the Privacy Act of 1974, 5 U.S.C. § 552a, we are providing the following information on principal purposes and routine uses. The principal purpose of this form is to verify that individual signatories are aware of the rules of behavior that govern access to FBI IT/IS that operate in FBI space. If a digital certificate from the FBI PKI is issued, this form also supports the operation of the PKI Program, which is designed to increase the security posture of the FBI. For the PKI Program, the information submitted will be used to verify user identity in support of the digital signatures and data encryption/decryption provided by the FBI PKI system. This information, in conjunction with the PKI digital signatures and data encryption/decryption, is used to provide Authentication, Non-repudiation, and Confidentiality services.

The information on this form may be shared within the Department of Justice (DOJ) components and with other governmental agencies for the purpose of providing access to these facilities, facilitating information sharing (i.e.-sending encrypted e-mails), and for other authorized purposes. In addition, information may be disclosed to the following;

1. Appropriate federal, state, local, tribal, foreign or other public authorities conducting criminal, intelligence, or security background investigations.
2. Officials or employees of other federal agencies to assist in the performance of their duties when disclosure is compatible with the purposes for which the information was collected.
3. To contractors, grantees, experts, consultants, or others when necessary to accomplish an agency function.
4. Pursuant to applicable routine uses for the FBI's Central Records System (Justice/FBI-002), which is where the information solicited on this form will be maintained.

The provision of the information is voluntary, but without your acknowledgment of the rules of behavior for accessing FBI information, and IT/IS's that operate in FBI space, you may not be permitted such access or receive FBI PKI credentials and certificates, which may affect your ability to perform your official duties. Disclosure of the last four digits of your social security number is also voluntary, but will help to differentiate you from other individuals with the same or a similar name.

Acknowledgment

I acknowledge that I have read and understand the above listed Rules of Behavior. I also state that I will adhere to these Rules of Behavior and that failure to do so may constitute a security violation resulting in denial of access to FBI IT/IS networks or facilities. I also understand that violation of these rules of behavior will be reported to the appropriate authorities and may result in administrative, criminal, or other adverse disciplinary action deemed appropriate
